# **Blackheath**

**what's happening  
in your ward**

## **Activities and services taking place in your ward. These do not include services which are provided across the borough.**

While every effort has been made to provide accurate and complete information, there may be errors or omissions. Please contact the Local assemblies Team if you notice any such errors or omissions. Please note this is also a live document, subject to updates.

### **Building schools for the future**

The government is committed to spending £2.2 billion per year over the next 15-20 years to replace, rebuild or renovate every secondary school in England. Lewisham has been awarded £186m and is carrying out the one of the most ambitious programmes in the country. This will mean that every secondary school and all the special needs facilities in the Borough will be either re-built or refurbished over the next ten years.

Schools in Blackheath benefiting:

- St Matthews Academy – Opened in September 2007, the Academy has been built on the playing fields of the old St Joseph's Boys' and Our Lady of Lourdes Primary schools, replacing both schools.

### **Town Centre Management**

Town centres play a big part in attracting people to the borough, providing jobs and services for local people. The Council's Town Centre Management Team (TCM) is helping to improve the vitality and viability of the borough's town centres by working in partnership with local stakeholders such as businesses, traders and residents associations, property owners, wardens and the police. The team provides support to 4,000 businesses and attracts significant amounts of public and private investment to the borough. Projects include environmental improvements, shop front grants, business advice, physical regeneration and events.

- Blackheath village is covered by the Town Centre Development Officer Jo Middleton, This role covers tourism and visitor promotion, and place marketing only

### **Planning issues**

Planning policies and practices shape development proposals for the physical and economic regeneration of the borough. They cover everything from large redevelopment schemes to small housing developments, changes of use of commercial property and residential extensions.

Lewisham's planning service covers planning policy, development control, urban design and conservation. We also arrange local land charge searches – providing information on properties in our borough and matters affecting them.

The current planning issues are being considered in Blackheath:

- Blackheath Train Station is to become an Access for All station (disabled access), forecast for completion 2008-9

## Conservation

Conservation projects in Blackheath:

- Conservation area appraisal carried out in 2006. Boundaries of the conservation area remain unchanged since the extensions made to the south in 2001.
- Currently individual maps are being created for each character area within the conservation area and the text is being finalised before publication.
- Article 4 directions cover Quentin Road, Belmont Park, Lee Terrace and Collins Street.
- Supplementary planning document available on new development (to be published as part of appraisal)

## Safer Neighbourhood Team

Your Safer Neighbourhood Team is a team of officers dedicated to your neighbourhood. They provide a more accessible, more visible and more accountable police service. This ensures that your community has a real say in deciding the priorities for your area, allowing the police to provide long-term, local solutions to local problems while maintaining a focus on reducing priority.

The Chair of the Blackheath Safer Neighbourhood Ward Panel is Councillor Godfried Gyeachie.

Blackheath Safer Neighbourhood Team Priorities are:

- Anti social behaviour
- Alcohol related disorder

The Safer Neighbourhood Team are:

Sgt Lance Strong  
PC Derek Bettany  
PC Gary Washington  
PCSO Kevin Brown  
PCSO Frank Jayeola  
PCSO Lotus Lee

Telephone: 020 8721 2741 or 07768 178292

Email: [Blackheath.snt@met.police.uk](mailto:Blackheath.snt@met.police.uk)

Neighbourhood Watch Schemes:

- Heathlee Rd
- Lee Park
- Dacre Park
- Blackheath Rise
- Boyne Road and
- Caterham Road

## **Wardens Service**

Lewisham Warden Service provides a visible, uniformed, semi-official presence in residential, public areas and town centres. The wardens can help to promote community safety and assist in environmental improvements. They can also contribute to community development and provide a link between local residents, key agencies and the police.

- The bike team covers Blackheath ward. The head warden of this team is Eddie Barrington

## **Community safety**

The Community Safety Team deals with strategic partnership work with the police and other agencies. Areas of work include domestic violence, hate crime, home security programme, acquisitive crime, priority and prolific offenders and safeguarding vulnerable adults. Contact with the team can be made in office hours on 0208 314 7531.

Lewisham Youth Offending Team (YOT) works with the community and local agencies such as the Police and schools, to help keep young people aged 10-17 out of trouble.
